AMERICAN RESCUE PLAN ACT OF 2021 (ARPA) SECTION 1005 LOAN PAYMENT

September 27, 2021

PRINCESS RHADASHII MARIE WILLIAMS
[REDACTED]
[REDACTED]

Dear Borrower,

FSA records show that you had a direct loan(s) on January 1, 2021, and that you are eligible for payment under the American Rescue Plan Act of 2021 (ARPA) Loan Payment program. All of your eligible direct loan debt will be paid in full. Eligible direct loan debt includes Farm Storage Facility Loans (FSFL), as well as most Farm Loan Program (FLP) direct loans. Eligible FLP loan types include Conservation, Emergency, Farm Ownership (including Down Payment), Grazing, Irrigation and Drainage, Operating (including Youth and Microloans), and Soil & Water. The ARPA Calculation Worksheet, beginning on page 4 of this notification, provides detailed calculations for your eligible direct loan debt, including any debt that was paid in full after January 1, 2021. Notification regarding any guaranteed loans that you may have will be sent at a later date.

After your ARPA-eligible direct loans are paid in full as provided below, you will still be indebted to FSA for any loan funds advanced after January 1, 2021.

If you are in bankruptcy or have been discharged of the debt, this informational notice is not an attempt to collect or recover the discharged debt as your personal liability.

You may select one of the following three options. Once you make your selection, the completed form may be returned to your local FSA office or to the following:

70 Dick Huff Lane, Verona, VA 24482
FAX: 855-621-7135
nikita.mcnett@usda.gov

☒ **OPTION 1.** I accept the ARPA payment as calculated by FSA for my eligible direct loan debt or, in the case of an Estate or deceased person, for the debt owed by the Estate or deceased person I represent. Please apply the payment to my FSA eligible direct loan debt or, in the case of an Estate or deceased person, to the eligible direct loan debt owed by the Estate or deceased person I represent, and pay the 20 percent portion to assist with tax liability using the bank account(s) information I provided below.

I certify under penalty of perjury punishable as a federal crime pursuant to 18 U.S.C. § 1001 that, to the best of my knowledge, I am, or at least one borrower who signed the promissory note(s) or assumption agreement(s) establishing the receipt of direct loan assistance from FSA is, a member of an eligible socially disadvantaged group as defined by section 2501(a) of the Food, Agriculture, Conservation, and Trade Act of 1990. A socially disadvantaged group includes borrowers who are: American Indian, Alaskan Native, Asian, Black, African American, Native Hawaiian, Pacific Islander, or Hispanic or Latino.

I understand and acknowledge:

- FSA payments, including the ARPA payment, are subject to public disclosure. Consequently, after any payment is made according to ARPA and applicable regulations or Notifications of Funding Availability, my name (or in the case of an Estate or deceased person, the name of the Estate or deceased person) will be released in public documents or records and/or listed on a USDA and/or FSA webpage as having received an ARPA payment.
- FSA will not provide my reported race and ethnicity next to my name (or in the case of an Estate or deceased person, will not provide their race and ethnicity next to their name) in public documents or records or on the USDA and/or FSA webpage when it lists my name (or in the case of an Estate or deceased person, their name) as having received an ARPA payment, unless a determination is made that race and ethnicity is not considered PII, or unless USDA/FSA is directed to list the information pursuant to a court order or law or regulation.
- FSA will continue to provide any and all information in its loan files, including for the purposes of cooperating with a Federal audit (such as may be conducted by the Government Accounting Office); cooperating with a law enforcement agency; reporting fraud, waste and abuse to the Office of the Inspector General (OIG); when cooperating with an OIG investigation; or for other audit, law enforcement or investigative purposes, including any investigation into allegations that I misreported/misrepresented my race and/or ethnicity (or in the case of an Estate or deceased person, their race and/or ethnicity) to FSA for the purposes of receiving an ARPA payment.

- Receiving an ARPA payment may have income tax consequences for me, my farm operation, or the Estate of the deceased person I am representing. It is my responsibility to consult with a tax professional if I have any questions. It is also my responsibility to pay any and all taxes that may be owed as a result of receiving an ARPA payment.
- Additional assistance for borrowers through community-based organizations and other service providers will be made available in a future letter to borrowers and announced on farmers.gov/americanrescueplan, via GovDelivery, and a press release.
- Receiving an ARPA payment may have bankruptcy implications if I, my farm operation, or the Estate of the deceased person I am representing is currently under bankruptcy court protection. The USDA makes no representation whether any payment directly to a borrower in a pending bankruptcy case constitutes property of the bankruptcy estate. It is my responsibility to consult bankruptcy professionals or counsel to discuss the impact of bankruptcy on any payments received under ARPA.
- I hereby assign the ARPA payment to FSA for the amount of eligible direct loan debt as shown in the Amount Paid to FSA column on the ARPA Calculation Worksheet.
- If my loan payments are currently being made via Pre-Authorized Debt (PAD) or a dairy, poultry or other form of assignment, my PAD or assignment will be cancelled.
- The ARPA payment shown in the Total Amount Paid to Borrower(s) column on the ARPA Calculation Worksheet will be made electronically using the banking information I provide.
- If my loan installment is coming due, I may still receive an automated payment reminder letter. I understand that I can disregard the reminder letter for any loans that are listed on the ARPA Calculation Worksheet.
- Any payments applied to loans listed on the ARPA Calculation Worksheet after January 1, 2021, will be refunded to the primary borrower.
- Due to the number of ARPA payments that must be processed, it may take several weeks or more for FSA to process the payment. After the payment has been processed, if there was property that was pledged as security for the FSA debt, FSA will mail me the documents needed to release the FSA lien. Unless otherwise required by State law, it is my responsibility to file/record the lien release with the applicable office or entity in the County/State where the property is located.
- The chart below explains how my payment will be distributed and who is required to sign this form. It is my/our responsibility to obtain all required signatures in order for a payment to be issued:

All SDA borrowers are required to sign to ensure their understanding and agreement to the program benefit they are entitled to.				

- If at least one, but not all, required signatures are received within 60 days of the date of this notification, the borrowers who have not signed will be notified of their appeal rights. If an appeal is not requested within 30 days, FSA will process the payment as described in this notice.

☐ **OPTION 2.** Before I make a decision, I want to schedule a meeting with the local FSA office to discuss this notice (for example, if I disagree with the calculation, if an error is identified, or if I disagree with the payment distribution) or provide updated information that may affect the payment distribution.

My meeting preference is:

- ☒ telephone meeting on my phone number [REDACTED]

- FSA will contact you within seven (7) days of receiving your request for a meeting.

☐ **OPTION 3.** I do not want to receive the ARPA payment. I understand and acknowledge that my decision to not accept the ARPA payment is final and I understand and acknowledge that FSA will continue to service the debt according to FSA regulations and the Debt Collection Improvement Act of 1996 (DCIA) requirements.

OPTION 1. I accept the ARPA payment as calculated by FSA for my eligible direct loan debt or, in the case of an Estate or deceased person, for the debt owed by the Estate or deceased person I represent. Please apply the payment to my FSA eligible direct loan debt or, in the case of an Estate or deceased person, to the eligible direct loan debt owed by the Estate or deceased person I represent, and pay the 20 percent portion to assist with tax liability using the bank account(s) information I provided below.

I certify under penalty of perjury punishable as a federal crime pursuant to 18 U.S.C. § 1001 that, to the best of my knowledge, I am, or at least one borrower who signed the promissory note(s) or assumption agreement(s) establishing the receipt of direct loan assistance from FSA is, a member of an eligible socially disadvantaged group as defined by section 2501(a) of the Food, Agriculture, Conservation, and Trade Act of 1990. A socially disadvantaged group includes borrowers who are: American Indian, Alaskan Native, Asian, Black, African American, Native Hawaiian, Pacific Islander, or Hispanic or Latino.

I understand and acknowledge:

- FSA payments, including the ARPA payment, are subject to public disclosure. Consequently, after any payment is made according to ARPA and applicable regulations or Notifications of Funding Availability, my name (or in the case of an Estate or deceased person, the name of the Estate or deceased person) will be released in public documents or records and/or listed on a USDA and/or FSA webpage as having received an ARPA payment.
- FSA will not provide my reported race and ethnicity next to my name (or in the case of an Estate or deceased person, will not provide their race and ethnicity next to their name) in public documents or records or on the USDA and/or FSA webpage when it lists my name (or in the case of an Estate or deceased person, their name) as having received an ARPA payment, unless a determination is made that race and ethnicity is not considered PII, or unless USDA/FSA is directed to list the information pursuant to a court order or law or regulation.
- FSA will continue to provide any and all information in its loan files, including for the purposes of cooperating with a Federal audit (such as may be conducted by the Government Accounting Office); cooperating with a law enforcement agency; reporting fraud, waste and abuse to the Office of the Inspector General (OIG); when cooperating with an OIG investigation; or for other audit, law enforcement or investigative purposes, including any investigation into allegations that I misreported/misrepresented my race and/or ethnicity (or in the case of an Estate or deceased person, their race and/or ethnicity) to FSA for the purposes of receiving an ARPA payment.

- Receiving an ARPA payment may have income tax consequences for me, my farm operation, or the Estate of the deceased person I am representing. It is my responsibility to consult with a tax professional if I have any questions. It is also my responsibility to pay any and all taxes that may be owed as a result of receiving an ARPA payment.
- Additional assistance for borrowers through community-based organizations and other service providers will be made available in a future letter to borrowers and announced on farmers.gov/americanrescueplan, via GovDelivery, and a press release.
- Receiving an ARPA payment may have bankruptcy implications if I, my farm operation, or the Estate of the deceased person I am representing is currently under bankruptcy court protection. The USDA makes no representation whether any payment directly to a borrower in a pending bankruptcy case constitutes property of the bankruptcy estate. It is my responsibility to consult bankruptcy professionals or counsel to discuss the impact of bankruptcy on any payments received under ARPA.
- I hereby assign the ARPA payment to FSA for the amount of eligible direct loan debt as shown in the Amount Paid to FSA column on the ARPA Calculation Worksheet.
- If my loan payments are currently being made via Pre-Authorized Debt (PAD) or a dairy, poultry or other form of assignment, my PAD or assignment will be cancelled.
- The ARPA payment shown in the Total Amount Paid to Borrower(s) column on the ARPA Calculation Worksheet will be made electronically using the banking information I provide.
- If my loan installment is coming due, I may still receive an automated payment reminder letter. I understand that I can disregard the reminder letter for any loans that are listed on the ARPA Calculation Worksheet.
- Any payments applied to loans listed on the ARPA Calculation Worksheet after January 1, 2021, will be refunded to the primary borrower.
